

FAITH AND GLORY TABERNACLE

PARTNERSHIP FORM (2016)

1. INTRODUCTION:

It is our great pleasure that you chose to partner with us; we hope we will serve the Lord together as a family of God in Christ Jesus. This form is accompanied by our induction document which has all basic information regarding FGT; the information we would like you to read, understand and accept as a governing document before you can be accepted as a Partner/Disciple of the Church. Your acceptance of our induction document and your commitment to FGT and our discipline will be confirmed by your signature at the end of this form.

Each Partner will have a Partnership code which can be used for reference when the partner is giving tithe or any offering where confidentiality is preferred by the Partner. The financial administrator and the Church administrator will be the people who will be able to consolidate the code to the name; this will be for receipt purpose so that our financial administration will show accountability.

New Partners will be affirmed and prayed over during a Sunday celebration service bimonthly.

Partnership commitments are reaffirmed every year in February, You will NOT need to fill out this form again, but our Partners will have to affirm their commitment every year.

We believe Biblical partnership should be meaningful, both for you and for the church, so this is not something we take lightly. To belong into the Church is one of the important memberships one can ever take as it provide support system, fellowship, happiness and personal growth. As a Partner, you're making three commitments.

- Commitment to God. You're affirming that you are indeed a Christian who desires to be the disciple of Jesus Christ.
- Commitment to the mandate of FGT and you will find a way to meaningfully participate in fulfilling it.
- Commitment in growing in your faith. No matter how long you've been a Christian, there are still steps you can take to become more like Christ. As a Partner, you're acknowledging that you're taking an active role in the discipleship process – through participation in a Small Group (district life), by taking classes, and by personal spiritual disciplines.

Your details which you submit to us in this form will be kept confidential and will be for our administration purpose and processes only. Please remember to inform us whenever any information you gave us changes or whenever you like to withdraw your partnership.
